## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
New River Criminal Justice Training Academy

### Opinion

We have audited the accompanying financial statements of the New River Criminal Justice Training Academy (the "Academy"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the New River Criminal Justice Training Academy, as of June 30, 2022, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and *Specifications for Audits of Authorities, Boards, and Commissions*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the New River Criminal Justice Training Academy, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Change in Accounting Principle

As described in the note titled "Summary of Significant Policies", for the year ended June 30, 2022, the Academy adopted new accounting standard, GASB Statement No. 87, *Leases*. Our opinion is not modified with respect to this matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Post Office Box 12765, Roanoke, Virginia 24028-2765

<http://www.fflc.com>

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New River Criminal Justice Training Academy's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New River Criminal Justice Training Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the New River Criminal Justice Training Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 6, 2023 on our consideration of the Academy's internal controls over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*, in considering the Academy's internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

### 1. ORGANIZATION AND NATURE OF ACTIVITIES:

General: The financial statements have been prepared to incorporate all funds utilized by the New River Criminal Justice Training Academy (the "Academy"). These financial statements have been prepared in accordance with U.S. generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board ("GASB"). The operations of the Academy are proprietary in nature and as a result these financial statements are prepared to conform to proprietary type governmental financial statements.

Reporting Entity: The New River Criminal Justice Training Academy was created by legislation passed by the Commonwealth of Virginia as promulgated through the Department of Criminal Justice Services to provide training to law enforcement members of participating jurisdictions.

### 2. SUMMARY OF SIGNIFICANT POLICIES:

Basis of Accounting: The accompanying financial statements have been prepared using the economic resource measurement focus and the accrual basis of accounting.

Cash, Cash Equivalents and Restricted Cash: Cash and cash equivalents are held in accounts in the name of the Academy. For purposes of the statement of cash flows, the Academy considers all highly liquid debt instruments with maturities of three months or less at the time of acquisition to be cash equivalents.

Restricted cash represents a debt reserve required to be held by Rural Development.

The following provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statement of net position to reflect the total of the same such amounts presented in the statement of cash flows as of June 30, 2022.

Cash and cash equivalents	\$	246,442
Debt reserve (restricted cash)		<u>944</u>
Total cash, cash equivalents, and restricted cash presented in the statement of cash flows	\$	<u>247,386</u>

Capital Assets: The Academy defines capital assets as assets with an estimated useful life greater than a year. Any additions greater than \$500, including those that significantly prolong a capital asset's economic life or expand usefulness, are capitalized. Normal repairs that merely maintain the capital asset in its present condition are recorded as expenses and are not capitalized. Capital assets are stated at cost less accumulated depreciation computed by the straight-line method.

Lease Assets: At the commencement of the lease term, the Academy, as lessee, recognizes a lease liability and lease asset. The lease asset is amortized in a systematic and rational manner (straight-line method) over the shorter of the lease term or the useful life of the underlying asset.

# NEW RIVER CRIMINAL JUSTICE TRAINING ACADEMY

## NOTES TO FINANCIAL STATEMENTS - (Continued)

### 2. SUMMARY OF SIGNIFICANT POLICIES - (Continued):

Revenue and Expense Recognition: Revenues are recognized when earned and expenditures are recognized when the service is provided.

Operating Revenues and Expenses: Operating revenues of the Academy consist of assessments, pre-employment fees, and other revenues. Operating expenses consist of departmental overhead expenses, undistributed overhead expenses, fixed charges, and depreciation. All other revenues and expenses, including transactions related to capital and financing activities, noncapital financing activities, investing activities and state grants, are classified as nonoperating revenues and expenses.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, expenses, and disclosure of contingent assets and liabilities for the reported periods. Actual results could differ from those estimates and assumptions.

Income Taxes: As a political subdivision of the Commonwealth of Virginia, the Academy is exempt from federal and state income taxes.

Accrued Compensated Absences: The Academy is operated and managed by the Town of Dublin; therefore, the Academy itself has no employees. However, the Academy is allocated salary expenses and accordingly has recorded accrued compensated absences when earned. The liability and expense incurred are recorded at year-end as accrued compensated absences in the statement of net position, and as a component of salaries and wages in the statement of activities and changes in net position.

Net Position: The Academy's net position is classified as follows:

Net investment in capital assets - This represents the Academy's total investment in capital assets, net of accumulated depreciation and related debt.

Restricted for debt reserve - This represents the minimum balance required by Rural Development to be held as debt reserve.

Unrestricted - This represents resources derived from state appropriations and training assessments. These resources are used for transactions relating to the general operations of the Academy and may be used at the discretion of the governing board to meet the current expenses for any purpose.

Classification of Revenues: The Academy has classified its revenues as either operating or nonoperating according to the following criteria:

Operating revenues - Operating revenues include activities that have the characteristics of exchange transactions, such as assessments, pre-employment fees and other receipts.

Nonoperating revenues - Nonoperating revenues include activities that have the characteristics of nonexchange transactions, such as gifts and contributions, and other revenue sources, such as state grants and investment income.

NOTES TO FINANCIAL STATEMENTS - (Continued)

**2. SUMMARY OF SIGNIFICANT POLICIES - (Continued):**

Adopted accounting pronouncements: In June of 2017, the GASB issued Statement No. 87, *Leases*. GASB Statement No. 87 requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. Under this statement, a lessee is required to recognize a lease liability and a lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. The requirements of GASB Statement No. 87 are effective for reporting periods beginning after June 15, 2021. The Academy adopted GASB Statement No. 87 effective July 1, 2021. The adoption resulted in the recognition of lease assets of \$73,802 and lease liabilities of \$49,056 as of July 1, 2021. The adoption also resulted in beginning net position to be restated as presented in the statement of activities and changes in net position.

**4. LEASE ASSETS AND LEASE LIABILITIES:**

The Academy has leases for two vehicles from Enterprise and a copier from De Lage Financial. Both vehicle leases commenced in September 2018 with a 48-month payment period that, once expired, provides the option for month-to-month lease payments for an unlimited period. The Academy plans to hold the vehicles with payments on a month-to-month basis until October 2023. The copier lease has a 60-month payment period and commenced in February 2020. The monthly lease payments sometimes include variable payments for fees and charges. These variable payments are expensed as incurred and are not included in the lease liabilities. Variable payments expensed for the year ended June 30, 2022 totaled \$1,163 and are presented in equipment leases on the statement of activities and changes in net position.

Future principal and interest maturities for the lease liability as of June 30, 2022 are:

Years ended June 30,	<u>Principal</u>	<u>Interest</u>	<u>Total</u>

**5. NOTES PAYABLE AND OTHER OBLIGATIONS:**

Compensated absences consist of the following:

	June 30, 2021			June 30, 2022	
	Beginning Balance	Additions	Reductions	Ending Balance	Current Portion
Compensated absences	\$ 29,341	\$ 13,908	\$ (9,068)	\$ 34,181	\$ 6,898

The note payable related to capital assets consist of the following:

	June 30, 2021			June 30, 2022	
	Beginning Balance	Additions	Reductions	Ending Balance	Current Portion
Notes payable	\$ 1,731,866	\$ 67,870	\$ -	\$ 1,799,736	\$ 25,945

In 2011 the U.S. Department of Agriculture (“USDA”) Rural Development approved a loan in the amount of \$1,883,212. The note required interest-only payments to be made at 4% beginning June 28, 2012. Beginning July 28, 2013, monthly payments of \$8,042, including principal and interest, were to be made until the note was paid in full on June 28, 2051. As of June 30, 2022, \$1,799,736 was outstanding.

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization declared the outbreak to constitute a “Public Health Emergency of International Concern.” The COVID-19 outbreak caused business disruption through mandated and voluntary closings of many businesses. On June 30, 2020, in response to the effects of the pandemic on the Academy, the USDA drafted a workout agreement for the Academy’s note payable. On August 26, 2021, in response to the continuing effects of the pandemic on the Academy, the USDA executed a second workout agreement, which extended the terms of the initial workout agreement for an additional year. The initial agreement stated that the Academy would use \$64,336 of their debt reserve to make payments on their loan from May 28, 2020 until December 28, 2020. Following the December 28, 2020 payment the Academy’s payments for January 28, 2021 through September 28, 2021 would be deferred while interest continued to accrue. Payments and reserve account deposits would resume on October 28, 2021. The extension workout agreement deferred payments from January 28, 2021 through September 28, 2022, still allowing interest to continue to accrue. Payments and reserve account deposits are now set to resume on October 28, 2022 under the new agreement. As with the initial agreement, reserve account deposits will be transferred into the account in the amount of 10% of the re-amortized monthly payments until the balance equals 12 monthly payments.

**NEW RIVER CRIMINAL JUSTICE TRAINING ACADEMY**

NOTES TO FINANCIAL STATEMENTS - (Continued)

**5. NOTES PAYABLE AND OTHER OBLIGATIONS – (Continued):**

The note payable following the second workout agreement matures as follows:

Years ended June 30,	Principal	Interest	Total

2024	35,424	71,172	106,596

Noncurrent portion	<u>\$ 1,773,791</u>	<u>\$ -</u>	<u>\$ 1,773,791</u>

**6. CONCENTRATION OF CREDIT RISK:**

The Academy maintains cash balances at one bank. Amounts in interest and non-interest-bearing accounts and money market deposit accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000.

Approximately 15% of the Academy's total operating revenues came from one local enforcement agency during the year ending June 30, 2022. This local agency has withdrawn participation in the Academy following fiscal year end June 30, 2022. At this time, a loss of approximately \$60,240 in assessments fees is certain after the fiscal year ended June 30, 2022, but the Academy is working diligently to recruit new agencies to offset this loss.

**7. SUBSEQUENT EVENTS:**

The Academy has evaluated all subsequent events through January 6, 2023, the date on which the financial statements were available to be issued.

The Academy continues to monitor COVID-19 developments, including governmental requirements and recommendations at the national, state, and local level to evaluate business decisions.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
New River Criminal Justice Training Academy

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Specifications for Audits of Authorities, Boards, and Commissions* issued by the Auditor of Public Accounts of the Commonwealth of Virginia, the financial statements of the New River Criminal Justice Training Academy, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the New River Criminal Justice Training Academy's basic financial statements, and have issued our report thereon dated January 6, 2023.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2022-001 and 2022-002 that we consider to be material weaknesses.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or *Specifications for Audits of Authorities, Boards, and Commissions* and which are described in the accompanying schedule of findings and questioned costs as items 2022-001 and 2022-002.

### **New River Criminal Justice Training Academy's Response to Findings**

*Government Auditing Standards* requires the auditor to perform limited procedures on the Academy's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Academy's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and *Specifications for Audits of Authorities, Boards, and Commissions* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
